# Credentialing

*A Leading Subcontractor since 1999 for  
Outsourced Medical-Legal  
Documentation & Data Services*

**Overwhelmed by the  
credentialing process  
for new providers?**

**Get help from the  
experts!**

Numina Medical Billing credentialing specialists navigate the complexities of enrolling your providers with carrier networks including commercial insurance plans, Medicare and Medicaid.

**We deal with every rejection and pending application.**

#### Types of credentialing we perform

1. Initial – Initial credentialing for any new providers who are enrolling with Medicare/ Medicaid for the first time.
2. Revalidation - Medicare requires every provider to be revalidated every 3-5 years.
3. CAQH Attestation
4. Medicare (Opt in & Opt out)

5. Commercial plans and MCO's
6. Out of network

#### Processing time

1. Medicare
  - a. PECOS (online) 120 business days
  - b. PAPER submission – 300 business days
2. Medicaid – 90-120 business days
3. Commercial – 60 - 90 business days

**Don't let "Insurance Panels closed" impact  
your practice financially by losing the patients!!**
